

# Fairfield County Library's Summer Reading Program 2021

- The Summer Reading Program will run from June 1st– July 31st. You and your child can sign up for the Summer Reading Program anytime at <http://fairfieldlibsc.readsquared.com/>
- All programs will be virtual this year. Each week, we will release 2 story time/craft time videos on our website and our Facebook page.
- To participate in the craft times, you can pick up 2 take and make kits each week for each child in your family. You must sign up for the Summer Reading Program to get the take and make kits.
- There will be 2 different take and make kits each week, with a total of 16 different take and makes.
- Each kit comes with all the materials needed to complete the craft or activity shown in the virtual story times. For example, one kit contains all the supplies needed to create, paint, and hang your own birdhouse.

If you have any questions about the Summer Reading Program or the take and make kits, please call Maddie at 803-589-8075.
